U.S. Serial No. To be Assigned (Attorney Dkt: HALB:023D1)
Art Unit: To be Assigned

REMARKS

The amendment in the specification is to indicate that this patent application is a division of a prior application on which it claims priority. The amendment to the claims is to delete originally filed claims examined in the parent application and to add new claims to further claim the invention. The amendment to original claim 13 is to clarify original claim language and is based on discussion in the specification at page 5, line 5 and page 6, line 12, for example.

Respectfully submitted,

Date: October 9, 2003
